# *We Dedicate This Book*

OMER P. BARTOW, A. B., M. A.
PRINCIPAL OF MHS, 1929-1966

Another door is opening
As we dedicate this book
To Mr. Bartow, principal many years.

To watch our high school grow
And be a part of it
Was a gratifying task.

He gave to all the students
The promise of the future
And the heritage of the past.

A school reflects its builder.
The atmosphere within
Glows in peaceful harmony.

Our memories will recall
An educator first —
But a kind and pleasant man.

Our doors are always open,
Our school will welcome him —
Marysville's most devoted fan.

Consider that I labored not for myself only, but for all them that seek learning.

This door will open at a touch to welcome every friend.

On February 25, the Marysville High School Ski Club made its first all-day ski trip to Pine Knob, a ski area in Clarkston, Michigan. It was a cold day, 6 degrees above zero, when they all met early in the morning. It was a pretty calm trip down there with not much happening except for a few missing shoes and such. When the ski club members got there,everyone was eager to get out on the slopes. For a lot of the members, it was their first time using the chair lift. They were cautioned about the weather; and because it was so cold, they were advised to come inside and get warm about every 45-60 minutes. During the day there were many exciting times--one ski club member broke her ski the last time down the hill, two others assisted the ski patrol with an accident victim, other members took lessons, and some sat in the lodge. On the way home the club stopped at another ski area to look over its facilities and there was talk of skiing there next year.

# *Majorettes*

Marysville's majorettes have displayed a great deal of pep and enthusiasm this year. They have led the band in all the football pre-game and half-time performances. They have been led by Sherry Plunkitt, a junior. This was Sherry's first year as drum majorette.

On October 1, the band and the majorettes traveled to Ann Arbor for the University of Michigan's band day. Bands came from all over. All morning the majorettes were hard at work learning a new routine. The majorettes performed at the pre-game show and the bands performed at half-time.

This spring the Majorettes wore their new uniforms for the first time.

The marching band also played at five home football games including Homecoming, Parents' Night, and Band Night. The last event of the marching season came May 30, 1967, the Memorial Day Parade.

# *Varsity Club*

The Varsity Club is an organization for the athletes of Marysville High who have lettered in a varsity sport.

The members of this club are expected to put forth effort in a creditable manner to represent the school and community, to keep up school spirit, participate in the many different sports and help fight for the M.H.S. championship.

The club members bought corsages for the mothers of the football players to wear on Parents' Night. During the homecoming season the Varsity Club entered a float for the parade. A dance was sponsored by the members after winning the basketball game against P.H.C. The Varsity Club members also sold refreshments at all home basketball games. Another activity of the club was selling candy for the Booster Club to pay for a seven-man sled for football.

On January 14, 1967, the members took a trip to Cobo Hall to see the Pistons slaughter San Francisco.

Marysville had its finest year of basketball in the history of Marysville this year, and Coach Lee did his utmost to see that it was that way. Coach worked and sweated hard along with our players showing them the movements and tricks that make a number one team, while at games he displayed the cool calmness of a top-notch coach. These and several other fine qualities are the reasons Coach Lee has been honored with the All Suburban Coach of the Year Award.

Pick up those basketballs! Wash these uniforms! Tape my ankle! Poor Durnie and Gary! How they worked in order to keep our team in tip-top shape! When thinking of our great team, we seem to forget our manager and trainer hiding in the shadows of the Vikings' victories. Our thanks to Durnie and Gary along with Coach and the team.

This year the Junior Varsity basketball team won 9 out of 17 games. In the season they tallied 952 points, 388 field goals, and 176 free shots. The first game the boys played with Port Huron Catholic High was the most exciting game of the year. The lead changed all through the game, but our team came out on top 74 to 72. Mr. Skinner's excellent drills helped the team in developing their ability. The two high scorers for the 1966-67 season were John Knuth with 243 points and Gary Westbrook with 217.

# *Freshman Basketball*

Forward Phil Smith was high scorer this past year. Paul McNichol, forward, and Doug Goodin, center, followed close behind him. Our three main defense men--Gary Scheffler, Paul Hendrick, and Bill Baldwin--also helped score winning points.

We trudge the corridor of time,
Weary and foot-sore and oppressed
The riddle of the universe
We bear with us unguessed.
But at the end there is a door;
One noiseless hinge it swings ajar
One timid step, and then we come
Where all the blessed are.
